

You are invited ...

to learn more about
dynamic and tested **Christian ministry**
from the
**UMC Church of the Resurrection and
Saint Paul School of Theology.**

SPST and Resurrection have joined forces to offer a course that centers on the ministry programs at Church of the Resurrection. Each week, the course focuses on a different ministry area: e.g., preaching, Congregational Care, Missions, Worship, etc. The schedule of the topics is below. Most of the time we meet at SPST, but on a couple occasions, we will travel to the Leawood campus of Resurrection.

You are welcome to drop in to the class sessions at your convenience. But we only have room for 3 visitors at a time, so we request that you *contact Dr. Martin to reserve your space* by email (robert.martin@spst.edu). He will respond to you.

There is no cost; it is completely free as a service to you from the seminary and Resurrection.
